Notifications of Trade Competition Commission
On Criteria for Business Operator with Market Domination

The Cabinet has approved the market shares and sales volume for a business operator with market domination under Section 3 of Trade Competition Act B.E. 1999 as follows :

1. Business operator, in any goods or services, with market share in the previous year over 50% and at least 1,000 million baht turnover; or
2. The top three business operators, in any goods or services, with combined market share in the previous year over 75% and at least 1,000 million baht turnover

The exception is for a business operator with the market share less than 10% or turnover less than 1,000 million baht in the previous year.

The Notification is effected since February 8, 2007
